

**CYBER  
SAFETY  
RULES**

- Talk to your trusted adult if a online stranger tries to talk to you
- If something inappropriate comes up that you know you shouldn't be watching, turn the screen off and tell an adult
- Only go to safe websites, like school classroom websites or websites that your trusted adult has already approved
- Limit screen time to no more than 2 hours per day
- Never share your personal information
- Never talk to online strangers
- Always ask a trusted adult before trying something new online
- I will not download or install any software, apps, pictures or music without asking my parents first
- I will not give anyone my passwords expect my parents.
- I will not do anything to harm someone else on the internet.

I \_\_\_\_\_ agree to all of the above and pledge to be a good and safe online citizen.
